

Koppers Holdings Inc. Announces New Crosstie Order to South America

February 16, 2012

PITTSBURGH, PA, Feb 16, 2012 (MARKETWIRE via COMTEX) --Koppers Holdings Inc. (NYSE: KOP), announced today that Koppers Inc., a wholly-owned subsidiary, received a purchase order to supply treated railroad crossties to Vale in South America. The estimated revenues from the order are \$9-\$11 million, and the order is expected to be completed during 2012.

Walt Turner, president and CEO of Koppers, said, "This is exciting news for Koppers as we continue to expand our railroad products and services into the global market. We are optimistic that this new business in Brazil will evolve into a long-term relationship with Vale as well as other emerging countries in South America."

About Koppers

Koppers, with corporate headquarters and a research center in Pittsburgh, Pennsylvania, is a global integrated producer of carbon compounds and treated wood products. Including its joint ventures, Koppers operates facilities in the United States, United Kingdom, Denmark, The Netherlands, Australia and China. The stock of Koppers Holdings Inc. is publicly traded on the New York Stock Exchange under the symbol "KOP." For more information, visit us on the Web: www.koppers.com. Safe Harbor Statement

This news release may contain forward-looking statements based on management's current expectations, estimates and projections. All statements that address expectations or projections about the future, including statements about the company's strategy for growth, product development, market position, expected expenditures and financial results are forward-looking statements. Some of the forward-looking statements may be identified by words like "expects," "anticipates," "plans," "intends," "projects," "indicates," and similar expressions. These statements are not guarantees of future performance and involve a number of risks, uncertainties and assumptions. Many factors, including those discussed more fully elsewhere in this release and in documents filed with the Securities and Exchange Commission by Koppers, particularly its latest annual report on Form 10-K and quarterly report on Form 10-Q, as well as others, could cause results to differ materially from those stated. These factors include, but are not limited to, changes in the laws, regulations, policies and economic conditions, including inflation, interest and foreign currency exchange rates, of countries in which the Company does business; competitive pressures; the loss of one or more key customer or supplier relationships; customer insolvencies; successful integration of structural changes, including restructuring plans, acquisitions, divestitures and alliances; cost and availability of raw materials; and other economic, business, competitive, regulatory and/or operational factors affecting the business of Koppers generally.
