

## Koppers Inc. Announces Pricing of Upsized \$500 Million Senior Notes Offering

January 20, 2017

PITTSBURGH, Jan. 20, 2017 /PRNewswire/ -- Koppers Inc., a wholly-owned subsidiary of Koppers Holdings Inc. (NYSE: KOP), announced today the pricing of its \$500 million aggregate principal amount of 6.00% Senior Notes due 2025 (the "Notes") at an issue price of 100% of principal amount. The size of the offering was increased by \$100 million from the previously announced offering size of \$400 million. The Notes will pay interest semi-annually in arrears on February 15 and August 15 beginning on August 15, 2017 and will mature on February 15, 2025 unless earlier redeemed or repurchased. The Notes will be guaranteed by Koppers Holdings Inc. and certain of Koppers Inc.'s domestic subsidiaries. The net proceeds of this offering are intended to be used to repurchase any and all of Koppers Inc.'s outstanding \$300 million Senior Notes due 2019 (the "2019 Notes") and to pay related fees and expenses in connection with its previously announced tender offer and consent solicitation, to redeem any of the 2019 Notes that remain outstanding if Koppers Inc. purchases less than all of the outstanding 2019 Notes in the tender offer and consent solicitation, and to repay outstanding debt under Koppers Inc.'s existing senior secured credit facilities. The sale of the Notes to the initial purchasers is expected to settle on January 25, 2017.

The Notes and the related guarantees are being offered by the initial purchasers only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the "Securities Act") or, outside the United States, to persons other than "U.S. persons" in compliance with Regulation S under the Securities Act. The Notes and the related guarantees have not been and will not be registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, registration requirements.

Koppers Holdings Inc. also announced today that based on the upsized offering of Notes, Koppers Inc. currently anticipates that its previously-announced new credit agreement, if consummated, would provide for a senior secured revolving credit facility of up to \$400.0 million (the "New Senior Secured Credit Facility"). If consummated, the New Senior Secured Credit Facility would refinance Koppers Inc.'s existing senior secured revolving credit facility that matures on August 15, 2019. The completion of negotiations and closing of the New Senior Secured Credit Facility are subject to numerous contingencies and conditions, including, without limitation, the receipt of commitments from the lending banks, and the completion of the offering of Notes and the previously announced tender offer and consent solicitation described above. There is no guarantee that the New Senior Secured Credit Facility will be completed or on what terms.

This news release shall not constitute an offer to sell, or the solicitation of an offer to buy, any securities, nor shall there be any sales of securities mentioned in this news release in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
